

Memo

To: Bethpage Residents
From: Edward Hannon, Project Director
Date: Tuesday, October 31, 2023
Subject: Virtual community meeting invitation 7 p.m. on Thursday, December 14, 2023

Please join me at 7 p.m. on Thursday, December 14, 2023, for our next project update. We will again host the meeting via Zoom for your convenience.

I will share our progress on:

- Operation of the RW-21 offsite groundwater treatment system
- Phase two of our thermal remedy at the Bethpage Community Park
- East/Southeast Quadrant vertical profile boring activity
- Routine groundwater monitoring and well maintenance program

We'll also discuss our planned 2024 activities.

Jason Pelton and Matthew Travis of the New York State Department of Environmental Conservation, James Sullivan of the New York State Department of Health, and Richard Lenz and Matt Russo from the Town of Oyster Bay are expected to join us.

After my formal presentation, we'll respond to questions via Zoom and telephone. If you have any questions for the meeting that you would like to send us in advance, please reach out to Dianne Baumert-Moyik via mobile at (516) 754-2645 or via email at dianne.baumert-moyik@ngc.com.
