

Northrop Grumman Supplier Excellence Awards

Congratulations to the Northrop Grumman Supplier Excellence Award Winners!

At Northrop Grumman, our suppliers are valued partners who help us achieve our mission and deliver on our commitments to our customers. From quality and speed to reliability and innovation, our suppliers play a pivotal role in making the impossible possible.

On March 14, we were proud to recognize 76 top suppliers who demonstrated exceptional performance during our second annual Supplier Excellence Awards. Honored companies range from large multi-national corporations to locally owned small businesses. They were selected from an impressive network of more than 20,000.
