

Northrop Grumman Supplier Excellence Awards

Congratulations to the Northrop Grumman Supplier Excellence Award Winners!

Northrop Grumman's suppliers are essential partners in fulfilling our mission and commitments to customers. Their high-quality performance and dedication are crucial for us to achieve the extraordinary.

On Feb. 27, we proudly recognized more than 50 suppliers for their outstanding contributions at our third-annual Supplier Excellence Awards. These honorees, ranging from large, multinational corporations to small local businesses, were selected from a network of over 20,000 suppliers.

Awards for 2024 achievement were presented in three categories, each representing a key component of delivering the highest quality solutions to Northrop Grumman's customers.
