

# Supplier Excellence & GSC Employee Recognition Awards

---

Feb. 4, 2026

## **Northrop Grumman Supplier Excellence and Global Supply Chain Employee Recognition Awards**

We look forward to celebrating our suppliers and GSC employees at our **2026 Supplier Excellence and Global Supply Chain (GSC) Employee Recognition Awards on April 30**.

The event recognizes suppliers and GSC employees who achieve and maintain exceptional service, superior results, and have made a significant impact on Northrop Grumman and its mission partners. This event strives to encourage and reward suppliers who reach these standards of excellence.

Suppliers who have been selected to receive an award will be notified this week. The full listing of the award winners will be released in May following the awards event.
