**NORTHROP GRUMMAN'S APRIL 1 COMMUNITY UPDATE**  
**POSTPONED UNTIL FURTHER NOTICE DUE TO CORONAVIRUS**

March 30, 2020

Dear Fellow Resident,

Northrop Grumman has postponed our April 1, 2020, community update at the Bethpage Community Center, 103 Grumman Rd. West, Bethpage, N.Y. 11714 until further notice.

We made the decision based on guidance from the [U.S. Centers for Disease Control](#), New York State Governor Andrew Cuomo, and out of an abundance of caution for the health and well-being of our meeting attendees (many who are within the vulnerable age group).

We advised New York State Department of Environmental Control Project Manager Jason Pelton, New York State Department of Health Project Manager James Sullivan and Town of Oyster Bay officials of our decision this morning.

Northrop Grumman continues, as it has done for several decades, to work in close coordination with the U.S. Navy and federal, state and local environmental and health authorities to address legacy environmental conditions in the area. This essential work continues under NYSDEC guidance.

You can learn more about our project at [www.northropgrumman.com/bethpage](http://www.northropgrumman.com/bethpage).

Please contact me anytime at (516) 754-2645, (321) 361-2363 or via email at [dianne.baumert-moyik@ngc.com](mailto:dianne.baumert-moyik@ngc.com), if you have any questions. Thank you.
